

Regulations for cardholders

Dear guest,

Congratulations and welcome! You are now the proud owner of one of the cards of Het Marnix. We appreciate that you have selected Het Marnix as your swimming pool.

At Het Marnix we highly value informing our visitors thoroughly. This letter contains important information about the membership you have purchased. The cardholder regulations are an addition to the house rules of Het Marnix.

Validity

12-admission card

- A 12-admission card may be used by multiple persons and is valid for one year from the day of purchase. Please note that you have to use all the admissions before the expiration date. If your card has expired, you lose the remaining admissions. You cannot activate lost admissions anymore;
- There is no refund of the (remaining) value of your 12-admission card;
- The 12-admission card cannot be extended due to vacation or illness.

3-months card

- The 3-months card is strictly personal.
- The 3-months card is valid for three months and allows unlimited swimming from the day of purchase. Please note that the 3-months card is only valid for lane swimming and recreational swimming. The card does not give access to swimming lessons and group activities.
- The 3-months card cannot be extended due to vacation or illness. In case of long-term illness (illness for a period of four weeks or longer), we can deactivate your card temporarily. It is important that you inform us about your illness in the first week of your illness. Please provide medical proof of your illness.
- There is no refund of the (remaining) value of your 3-months card.

Aqua sports period card

- In Het Marnix we have period cards for our Aqua sports. There are four periods a year. You can find the schedule at www.hetmarnix.nl or in our Marnix app.
- The period card can be used for one fixed Aqua sport a week.
- During the school holidays and the national holidays we have a special schedule at Het Marnix. Your period card for the Aqua sports is not valid during the special schedule. If you would like to join an Aqua sport during the school holidays or national holidays, you are welcome! You have to pay for a separate admission ticket.
- In order to ensure your participation for the next Aqua sport period, you need to extend your subscription before the end of the current period.

Do you have any questions left?
