 - o The amount of kids is a little bit higher then last time.
Both older and younger children are signing in at the Wereldwijzer.
There will be a new AZC in Son, maybe kids from there will start at the Wereldwijzer. They open somewhere in June.
 - o Nadia and Tugba are working again.
Nancy is still recovering. It is not yet going as expected.
Liny is at the moment at home sick, we can cover this with a colleague.
Laura will have surgery this week, we can also cover this with colleagues.
Derya is leaving the Wereldwijzer, she had a year contract and it stopped. Joyce will be in the class on Thursdays and Fridays.

Topics and subjects:

- Information from the General Participation Council
 - o One subject was the buildings, the plan about rebuilding of renovate the buildings. This plan shows which buildings are on the nomination for rebuilding or renovation.
Our school has a really old building and we have the wish for a new building. First we were late on the list but now they put us higher on the list because we have a really old building. 2028 is now the goal.
- The Yearschedule (concept) Schoolyear 2025-2026
 - o We look at the year schedule and discuss the holidays. It is good that the children are free after Suikerfeest. We have to check if this is the first day of Suikerfeest because otherwise the children take days off before this planned free day.
 - o We also discuss that we switch from 4 to 3 periods. We discuss the positive things about this:
 - Less administrations for teachers.
 - Longer period for children to reach the goals.
 - Dates to go to the new school fit with counting dates of children amount.
- Report
 - o During the talk about periods we are talking also about Reports. We discuss that we are searching how we can make the report more understandable for all of the parents en what our goal is for the report. Tip from the parent:
 - send the report by e-mail with a link to a site where parents can translate. Maybe parents don't know dat they also can translate a paper by a photo.
 - Let parents book a parent meeting when they want. And let them send their questions a few days before the meeting. So it is clear what have to be discussed during the meeting.

- Secondary school (point from last meeting)
 - o Miss Wendy is talking to Global College to talk about if it is possible that they arrange a information meeting.

Our Last meeting will be an unofficial one on Monday 23th of June 15.30 – 16.30. We will catch up with all the parents from this years participation council that already left school. There will be some drinks and small snacks provided by school. MISS Marleen and Mister Devon will make an invitation for this meeting.
