Dear children and parents,

In front of you is the booklet with all after-school activities of Spilcentrum Blixembosch.

These activities are intended for all children of primary school de Boschuil and of the BSO of Korein Kinderplein in Blixembosch.

Our offer consists of "Explore More" offer (from Korein) and activities from other partners. When participating in offers from other partners during contract days, parents of Korein children must sign an agreement.

If Korein children (during contract days) want to participate in activities outside the Spilcentre, parents / carers must sign an agreement specifically for walking independent back and forth.

Below you will find the total overview and more information per activity about the content of the activities and the registration.

Depending on the number of registrations, we can start with the offer.

As a Spil Centre, we are responsible for the children if the activities start a little later than the end of the school day.

1. Children who attend BSO that day, first go to the BSO and eat and drink there. Then they are brought to the activity.
2. Children who do not attend the BSO go straight to the room where the activity will be held. In this case it is a good idea to give your child some extra drinks and a snack with them to have a break after the school day.

When the activity is finished, you can pick up your child.
The children who go to the BSO are picked up by the pedagogical staff.

Yours sincerely,

Spilcentrum Blixembosch

Star Class

A course at Star Class "getting to know theatre". The series of six lessons is a nicely completed introduction to theatre and is provided by a theatrical and pedagogically well-educated teacher. The children will work on various fascinating facets of acting and theatre. Children learn how theatrical techniques give them more confidence, how to present themselves and also stimulate creative thinking. The series of lessons is structured and fits seamlessly with the children's experience. In the lessons they are challenged and motivated to show the best of themselves in a safe environment and at their own level.
