

# ARE YOU COMING TO THE

## SPEEL - Ø - THEEK?

### What can you borrow?

At the Toy Library, you can find toys such as construction materials, card games, board games, puzzles, dolls, cars, outdoor toys, craft supplies, educational toys, and much more!

### How to borrow toys:

- Come to the Toy Library on Tuesday or Thursday after school.
- Bring your loan card with you. (You'll receive one from the staff during your first visit.)
- Look around and choose **one toy** you'd like to borrow. (Only one toy every visit)
- Go to the staff member, who will help you borrow it and write down the date when it must be returned.
- Play with your toy at home!
- **After two weeks**, bring the toy back to school. (Check at home first that all parts are still there.)
- Then you can borrow something new!

## WE HOPE TO SEE YOU SOON!

### What is the speel-o-theek?

**Speel-o-theek means a Toy Library.** The Toy Library was founded in May 2023 and started as a teacher-led initiative. It's a place where children of all ages can **borrow toys for free**. We hope to see you (again) soon!

### Did you know ...?

- ... that when your loan card is full (after borrowing and returning 9 times), you get a reward?!
- ... that all toys are regularly checked so everything stays neat and complete?
- ... that by playing with toys, you naturally and enjoyably stimulate your imagination, social skills, and thinking and movement development?
