

Dear Parents/carers,

Hopefully everyone had a nice vacation and is ready to start the new school year again. We can't wait to welcome the children back to the Startbaan next Monday after this long period.

Calendar

6 of september	First day of school
Week of 20 september	Information evening (further info follows)
24 of september	Study day: kids are free

Parro

You can remove the old app from your phone because we are moving to the Parnassys parent app called Parro. On this app you will find fun stories, you can schedule parent meetings and report illnesses. By the end of next Friday you will receive the information letter and the link to log in.

Corona

Compared to before the vacations, there have been no real changes in government policy for primary education. How do we as St@rtbaan deal with this now:

- Follow the decision tree in the attachment
- If an infection is detected, follow the guidelines of the GGD and inform the teacher immediately.
 - o We as a school, in consultation with the GGD, take the steps that need to be taken.
- Parents may enter the building but not during drop-off and pick-up times, we cannot maintain the one and a half meter for the large crowd.

Drop-off & Pick-up times

Walk-in time is from 8:20 to 8:30. Please make sure your child is at school on time. We no longer use fixed walking routes.

Entrances between 08.20 and 08.30	
Main entrance	Groep 5 and 8
Toddler entrance	Groep 1-2
First floor entrance	Groep 3 - 4 - 6 - 7

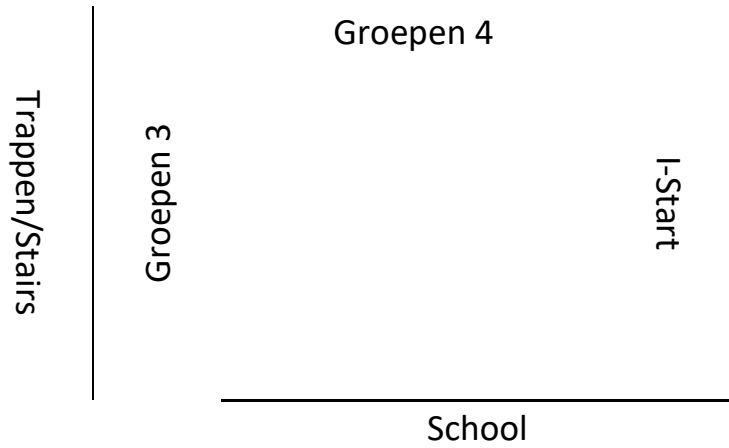

A teacher will stand at the entrances for groups 1-2-3-4 to welcome the children. The children walk in independently after saying goodbye. We would like to ask parents to leave the entrance as soon as possible after saying goodbye.

An exception is made for parents of children who come to school for the first time: one parent is allowed to bring the child to the classroom on the first day.

Exiting at 14.30 and 12.30 on Wednesday	
Toddler exit	Children come with their own teacher to a fixed spot on the playground. There the children are taken over from the teacher.

Group 3-4	Children come with their own teacher to a fixed spot under the hangar. There the children are taken over from the teacher.
Group 5 till 8	Children come out independently.

Pick-up spots groups 3, 4 en I-St@rt under the Hangar are:

Bicycle parking

We have 2 places around the building where bikes are parked. This is not against the school building or under the Hangar (even if it rains). For completeness, the locations of the spots are indicated below:

Again, we can't wait for Monday!

MESSAGE FROM THE MR

New member wanted for the MR

Elementary school de St@rtbaan has (like all other schools) a Participation Council (MR).
