12 november	Closing IPC theme's
15 november	Start Eu schoolfruit.

Tosca Menten at The Startbaan

On Monday, June 18, children's book author Tosca Menten was at school for groups 5 and 6. The children of the KMR had tipped her off to the parents' council to come to our school. She is not only a good writer but also a great storyteller and she kept us listening for an hour. Thank you parent council for this fun activity at school.

Enrollment brothers and sisters

We would like to ask you to send in the registration form for younger siblings who have not been registered before. We are in the process of planning group occupancy and need this information.

Thank you in advance. You can find the registration form on our website: SALTO school De St@rtbaan at practical information.

Childrens Book Week

This time the theme of the Children's Book Week was professions. We want to thank the parents who read to us and/or came to tell us about their profession. The children have enjoyed it.

Children of group 8 have played a picture book for the kindergarten groups. We ended the week with a book market.

Reminder: Coördinator head lice wanted!

We are still looking for a lice coordinator. Who will help us out and join us in ensuring a lice-free school? If interested please contact: bernardette.vangemert@salto-eindhoven.nl

Dutch lessons for parents!

We're happy to announce that we will be starting the Dutch lessons for parents again!

During these lessons you will learn the Dutch language, but also about the Dutch culture and traditions. It's a place to get to know each other and practice Dutch together at the same time.

This schoolyear we will be offering Dutch for adults on a beginners level.

If you are interested in Dutch at a higher level, please contact the Dutch teacher (Rianne van der Werf) to let her know you are interested in a higher level (contact info below). Those lessons could potentially be offered online if there is enough interest.

The Dutch lessons for beginners will be taught by Rianne van der Werf, on **Friday mornings**. The times and exact dates are yet to be determined. This depends on the amount of interest there is. The lessons will be taught in the morning (somewhere between 8:30 and 10:00)

The lessons will cost 150 euro's in total (for +/- 25 lessons) (the exact amount of lessons are still to be determined).

If you wish to take part in the Dutch lessons for adults on Friday mornings, please send an e-mail to Rianne van der Werf at: rianneteaching@gmail.com with the following information:

Your full name:

- Full name of your child:

- Group and teacher of your child:
- School: (I-St@rt or St@rtbaan)

You can sign up until **November 1st**.

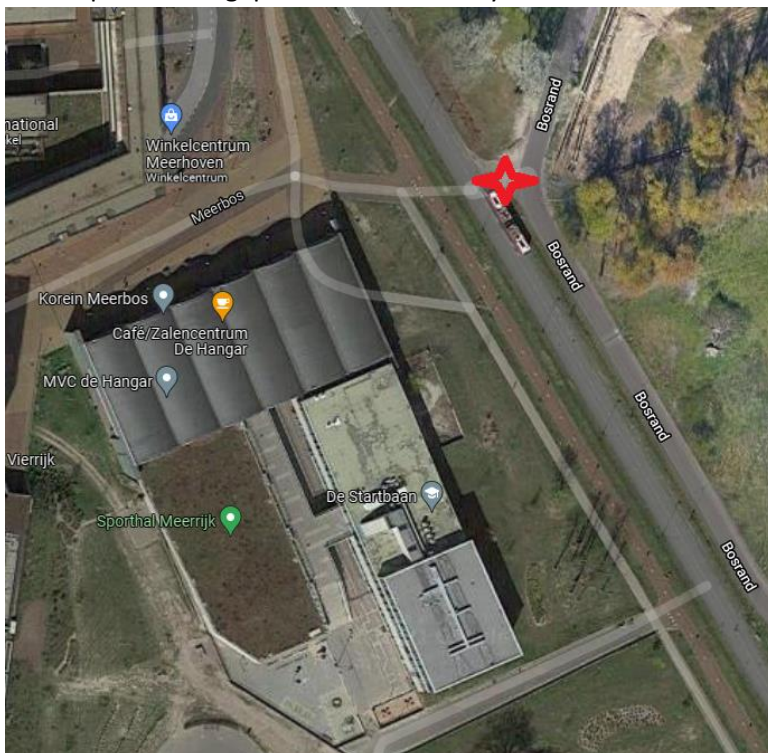

After November 1st we will let everyone know the exact dates and times. Also let Rianne know if you are interested in online courses at a higher level.

New Decision tree

Unfortunately there is no English version yet. You can visit the website of www.boink.info to check when they'll have one

Parking on emergency service access

From the emergency services (police, district agents and ambulances) we have received the urgent request not to park on the passage for emergency services towards the bus lane. We would like to ask you to come by bike or on foot as much as possible, this will not always be possible. But please do not park in the gap to the bus lane anymore.

Volunteers wanted for the school library!

Dear parents, we are urgently looking for volunteers who would like to help out in the school library on Wednesdays, Thursdays or Fridays from 8.30-10.30 a.m. You can apply using the following email address to the reading coordinator, Corinne van de Ven: corinne.vandeven@salto-eindhoven.nl

Team the St@rtbaan wishes you a happy Autumn break!
