De grote vriendelijke Kinderboeken top 100 (Children's book top 100)

Should you be looking for another book to read with your child, take a look for inspiration at: [De Grote Vriendelijke 100 van 2022 | Hebban.nl](#). Last period, all kinds of children's books were voted on. From these, you can easily check with your child to see which book interests them.

Closing of groups Korein

Korein sometimes closes groups due to staff shortages. It is your responsibility to let the teacher and/or master know in time where your child will be going in the afternoon. Sending a message on the day will not be read in time.

Lost & Found

There is already a whole collection of found objects at the main entrance. The found items will be displayed on the stands from 21 December 12:00h until 22 December 9:00h. Please look carefully to see if there is anything of your child's. Anything not taken will go to charity.
