If you want to know what it was like, please do ask, as he has plenty of stories to share!

Super nice to have you back with us again Bart!

Mare & Zinzi carried out a project in which they collected money for the charity KIKI. They did this by selling home-baked cookies.

The gain was: **€ 324.40**

What an amazing amount of money!! We are all very proud of Mare and Zinzi!

Information for parents in divorce and parent course Triple P

This can be a very stressful time for parents, with an even larger impact on their children's life. "Kindbehartigers Eindhoven" (child care workers) gives a voice to the child, free of charge and without obligation, during such a terrible period of time. For your convenience we added additional information in the attachment "*Folder Kindbehartigers Eindhoven (NL)*".

Parenthood can be challenging sometimes, and sometimes you maybe wonder if you're doing the right thing for your child. Or sometimes things just don't work out as planned. Therefore OMNIA organises a very helpful course for parents. See the attachment "*Triple P Oudercursus* for more information.
