Art route

The classes of St@rtbaan and I-St@rt have recently been working hard on artworks for the annual art tour, and it looks great again! This year's theme is 'St@rt-Lab'. We look forward to seeing you on 6 July between 6pm and 8pm!

The flyer and route is attached. We will see each other then!!!

Besides the art route itself, the Harmony will also host a concert under the Hangar. Be welcome and more information attached.

Books from the Library

The library will soon be replenished with a large number of English and Dutch books. The next few weeks will therefore be needed to set up the library thoroughly. To organise this properly, it is necessary to have all books in the library. To parents the request to give library books to the children so that they can be handed in at the library. All books must be handed in by Friday June 30, 5pm. In the following weeks, the library will be put in order so that at the start of the new school year, the library will look flashy again! Thank you in advance.
