FUN IN READING

Membership for school-leavers

The school year is coming to an end again. Students in 6th grade are getting ready to leave primary school and won't be able to borrow books from their school's library anymore. But until they're 18 years old they can become a library member for free in Eindhoven, Waalre, or Best. Become a member for free via [this link](#).

With your library membership, you can borrow Dutch e-books and audiobooks via the [Online Library](#) app and books in a wide variety of other languages via [the BorrowBox app](#). Come have a look and find out what's possible with your library card.

Gift a picture book!

DIGITAL LITERACY

The Reading Corner

Lots of reading together helps to improve and understand stories and language. In the process, reading aloud also creates a relaxed and cozy moment for you and your child. If you want to alternate between reading aloud yourself and watching a video about it, you will love [The Reading Corner](#). On this website, you will find videos with books being read aloud for children of different ages; 0-4, 4-7, and 7-10 years old. The videos are available in various languages; Dutch, English, Moroccan, Syrian, Polish and Turkish. Log in using your library account and enjoy beautiful stories together.
