

Dutch lessons for parents

We're happy to announce that we will be starting the Dutch beginners lessons for parents again in school!

During these lessons you will learn the Dutch language, but also about the Dutch culture and traditions. It's a place to get to know each other and practice Dutch together at the same time.

Upcoming schoolyear (23-24) we will be offering Dutch for adults on a beginners level, every Friday afternoon from 13:30 until 14:30.

We will also offer lessons at a higher level on Friday afternoon from 12:00 to 13:00 online. We hope that we can offer the lessons in school later on in the schoolyear, but we will begin online. We will start where we left off last year in the book and the year before (starting from chapter 5 in Taal Compleet).

All the Dutch lessons will be taught by Rianne van der Werf from Rianne Teaching.

The lessons will cost € 175,- in total (for +/- 33 lessons) (the exact amount of lessons are still to be determined).

If you wish to take part in the Dutch lessons for adults on Friday, please send an e-mail to Rianne van der Werf at: rianneteaching@gmail.com with the following information:
