DIGITAL LITERACY

Podcast: Vertel eens, Kikker

In [Vertel eens, Kikker](#) (Tell me, Frog), children go on six episodes of adventures with Frog. Each episode focuses on an emotion. Frog and one of his friends talk about the emotion, a picture book of Frog is read by Dieuwertje Blok, and there is always a happy song to listen to or sing along with.

They are alternating episodes of about ten minutes, perfect for bedtime or in the car!
