## MEDIA UKKIE DAGEN 2022

During the Media Ukkie Dagen from March 25<sup>th</sup> to April 1<sup>st</sup> 2022 we focus on media literacy in the education of children from 0 to 6 years old. This year's theme is 'Swipe, step, jump'. Can you let a child play with a tablet, TV, smartphone or book by itself? How do you help a child getting around in the 'digital world'? How do you use media so that a child also learns something from it? And how do you make choices that are in line with the development of the child? You will receive answers during the webinar, or from us during a visit to the library!
