

Rapenland primary school, welcome to our school!

Rapenland is a primary school in Woensel close to the Catharina Hospital and the shoppingcenter WoensXL. More than 350 children visit our school daily. Our children are all different but we value those differences because we can learn from each other. At our school we work, guided by four important values:

- Fun in learning
- Learning and living together
- Meaningful education
- Trust

We do this in groups where children are grouped by age. Within the group, there is room for differentiation in levels of comprehension. We invest especially in language-skills and social skills of our children. A lot of our children are learning Dutch as their second or even third language. We strongly work together with Korein, an organisation for day-care and after-school programs.

The teachers, children and parents are a team at Rapenland. After all, parenting does not only take place at home and learning does not only take place at school. The high level of involvement of teachers and parents ensures a pleasant and safe environment where children can develop optimally.

We have developed two special classrooms: a so called 'Plusklas' for the high-achievers and a 'Schakelklas' for the children who struggle with Dutch as their first language. We have invested in our musical education and physical education by hiring professional educators on these subjects.

Our motto is: learning together and develop with trust!

You are welcome to visit our school for a tour! All children are welcome at our school, both those who live locally and those who live further away. Please contact us if you would like to register or preregister your child at our school, or make an appointment for a guided tour. You will be guided through the school by one of our children.

Call or e-mail to:

Maartje van Schijndel (deputy principal)

Practical information for parents

School hours

All days for all groups from 8.30 am to 2.15pm. In the afternoon break, the children stay in school.

Reporting sick

Is your child sick? Please call the school or use the Rapenland-app (look for Schoolapp and then Rapenland).

Do you have any questions?

Please contact your child's teacher or one of our staffmembers:
