ASML ZOMERSPELEN

From handball to water polo and from BMX to martial arts. You can do it all during the ASML Zomerspelen!

The ASML Zomerspelen is the summer sports and exercise program for all children in the Brainport region. Sports clinics are organized for five weeks; in parks, on school playgrounds and of course at the sports providers on location! You choose which sports you want to try out and how often you participate. On Wednesday August 13, the summer vacation will be concluded with a bang with the Zomerspelen Sports Festival in the Jan Louwers Stadium (FC Eindhoven).

Everyone aged 6 to 13 is welcome and registering is **completely free!**

Sign up via the QR code or
www.asmlzomerspelen.nl.
Registration is mandatory and
FULL=FULL.

Do you want to continue playing sports after the Zomerspelen but is this **financially impossible?** Our partners Stichting Leergeld & Stichting DRIP can help you with this!
More information can be found at: www.leergeld.nl or www.godrip.nl

Prefer to exercise in a smaller group or with extra guidance? In collaboration with Uniek Sporten we provide clinics for children with a disability or chronic condition. Check our website and discover the option that suits you!

EVERYONE CAN JOIN IN!
