

SWIMMING LESSONS FOR GROUP 7 IN EINDHOVEN

Dear parent or carer,

As a municipality, it's important to us that everyone has the opportunity to learn to swim. The Netherlands is a country rich in water. You are less at risk from drowning if you have gained a swimming diploma. Not only that, but if they can swim, children can safely join in a party in a swimming pool or a water activity during the Group 8 school camp. If your child is in Group 7 and still has no swimming diploma, for whatever reasons, we are happy to help. We offer special swimming lessons, for which the waiting list is shorter and your child will have lessons together with other children their age.

Where and when are the swimming lessons?

Swimming lessons for children of the same age take place at either ir. Ottenbad or De Tongelreep swimming pool. The lesson times are:

Ir. Ottenbad: Thursday from 15:00 to 15:45.

De Tongelreep: Tuesday or Friday from 15:00 to 15:45.

Participants get a lesson from a certified swimming instructor every week on the same day and at the same time. You may wait poolside during the lesson. There are no swimming lessons during school holidays.

When can you take the exam for your A Diploma?

Be aware that it takes an average of a year and a half for a child to gain their A Diploma in swimming. This sometimes goes faster with children from Group 7, if they don't miss many lessons.

What do swimming lessons cost?

At ir. Ottenbad and De Tongelreep, you pay € 68.80 for an 8-lesson card and a one-time payment of € 14.80 for registration. The swimming exam for the diploma costs € 9.70. We realise that's quite a lot of money, particularly if you don't have much money to spare. For that reason, Stichting Leergeld has a special scheme for people with a minimum income that allows children up to 18 years of age to take swimming lessons at no charge. You can read more about this at leergeldeindhoven.nl.

Interested?

Are you interested in swimming lessons at ir. Ottenbad or De Tongelreep swimming pool? If so, register through the website. Scan the QR code with your telephone camera or go to eindhovenensport.nl/aanmelden-ottenbad or eindhovenensport.nl/aanmelden-tongelreep. Once you've registered, we'll get in touch with you about the next step. I'm sports coordinator Vincent van den Groenendaal, and if you have any questions about the swimming lessons or Stichting Leergeld, I'm more than happy to help.
