FUN IN READING

Gift a picture book

Did you know that reading aloud is one of the most effective ways to encourage language development? So besides being a cozy moment, it's also very useful.

Of course you can come to the library to borrow a book, but there's also a fun promotion: "Gift a picture book". For just € 2,99 you can buy the classic "Kleine Ijsbeer, een ijsbeer in de tropen" at your local bookstore starting May 12th.

With this fun promotion, all children can grow up surrounded by the most beautiful books!

DIGITAL LITERACY

Jeugdbieb.nl

Not only are they interesting, they are also packed with facts and trivia, just for fun or useful when creating papers, pitches and presentations. Jeugdbieb is a safe environment for children. Jeugdbieb refers to questions from tv-show Willem Wever, videos from SchoolTV and episodes of Klokhuis.
