

Eindhoven, 4<sup>th</sup> April 2023

Hello boys and girls, parents and carers

We're going for it again! In the May holidays we organize another children's holiday week. The first week it is back at Mr. Rick's office, where we get to work with all the materials. In the second week we go to the beautiful location of the High Tech Campus, where we can use the enormous sports field, for playing, sports, music and crafts.

### **When?**

#### **Week 1:**

**April 24, 25 and 26**

### **Where?**

**Office Mr. Rick. Strauslaan 1 5653 AJ Eindhoven.**

#### **Week 2:**

**2, 3 and 4 May**

**Sports fields of the High Tech Campus 8, Eindhoven**

These days are all about meeting each other and of course doing super fun things together; such as sports, exercise, cooking, technology, art, culture and much more. We start every day with the walk-in from **09:30 to 10:00** and at **14:30**.

**But!** In the second week of the children's holiday weeks there is a special extra for children from group 5 to 8. These children can choose not to go home to sleep on those days, but to stay on campus with us and **CAMP!** You will then arrive on Monday and go home at 2.30 pm on Wednesday. You sleep in a real Mr. Rick tent and all sleeping gear is already arranged. If you like this, sign up quickly!
