PLEASURE IN READING

Singing songs helps language development

Next to reading books together it's also very good to sing with your baby/toddler. It's proven that it is good for the language development of your child. It provides comfort, you can move to the rhythm of the music and it's also a lot of fun! On [this page](#) from 'Boekstart' you can find a fine collection of songs.

Or listen to [De Voorleestrom](#) together; this is a nice reading song which is translated by some well known artists and it's sung in twelve different languages! (also on Spotify).

DIGITAL LITERACY

Do you already use the Online Bibliotheek?

With your library card you can also use e-books and audiobooks in the 'Online Bibliotheek'. You can listen and read them on your phone, tablet, or computer. Do you want to know more? Check out [our website](#).
