PLEASURE IN READING

The National Reading Days

The National Reading Days will take place from January 24 to February 3, 2024.

These days, of course, revolve entirely around everyone's favorite ritual of the day: Reading aloud!

Here are 3 tips to make it even more fun:

Tip 1: Try to read aloud every day, make it a cozy moment together

Tip 2: Read as much as possible in the language you know best

Tip 3: Make your child a free member of the library and come and borrow books.

During the Reading Days, children who become members also receive a reading cuddly toy (while stocks last). This cuddly toy matches the picture book of the year "Help! A surprise!".

DIGITAL LITERACY

Audiobook 'Help! A Surprise!'

On prentenboekeninalletalen.nl you can listen to the picture book of the year (and many other books) in more than 25 languages!

More activities

We created [this page](#) especially for The National Reading Days. Here you will find extra information about reading aloud, but also other activities such as a reading session with the mayor of Waalre or two spectacular theater shows based on the picture book of the year. Take a quick look and reserve your tickets.
