PLEASURE IN READING

Children's Book Week 2022: Gi-Ga-Green!

This year's Children's Book Week from 5-16 October has the theme: Gi-Ga-Green. Outside there is plenty to discover and do but you can also learn many new things in books. Learn special animal facts in informative books, immerse yourself in exciting stories about wild outdoor adventures or marvel at beautiful nature illustrations in picture books.

The school collections have been restocked with wonderful Gi-Ga-Green books. Take a quick look in your school library.

MEDIA LITERACY

App of the month

Bas and mouse, Planting a seed is an interactive story about growing a plant. Fun to read aloud or listen to the recorded version. On each page you can set things in motion, make sounds or shift things yourself.

This app is free and available in the [Appstore](#) and is suitable for pre-schoolers.

TIP FROM THE LIBRARY

Bieb Familie Festival

Are you coming? Check out [this page](#) for more information and tickets.
