## Mad Science is coming to our school

Soon Mad Science will be coming to our school.

Mad Science provides workshops and after-school programs at primary schools and out-of-school care centers for children about science and technology.

On Wednesday 8 May, Mad Science will provide five spectacular science shows for all children at our school. After the shows, all children can enroll in an after-school program. Together with a Mad Science professor, the children discover all kinds of things about chemical reactions, the forces of air or mysterious color changes.

The after-school program takes place on the following Mondays:

- May 30
- Jun 13
- Jun 20
- Jun 27

During the after-school program, two groups are created: groups 1 to 4 and groups 5 to 8 so that each child receives an age-appropriate program. After the shows, all children will receive a flyer to take home with more information about this. The times on all Thursdays are from 14.20 – 15.20 for groups 1 to 3 and for groups 4 to 8 from 14.30 – 15.30. The costs for this program are € 62.50 per child and pay the parents/guardians.

The children can be registered for the after-school program via the following website: [Registration | Mad Science Netherlands \(mad-science.nl\)](https://www.registration-mad-science.nl).

Be quick to register, because full = full 😊!

## School fruit

In the week of the Ascension Day holidays, there is no school fruit. (Tuesday and Wednesday 7 and 8 May).

Due to the 2nd day of Pentecost, there is fruit on Wednesdays, Thursdays and Fridays in the week of 21 to 24 May, not on Tuesdays (Because the supplier does not deliver on the 2nd day of Pentecost but only on Tuesday afternoon).

This week is the last week of this school year that there is fruit for the children.

From 27 May, you will have to bring your children back to school.

## Grocery Cupboard

Dear Parents/Guardians,

For a while now, there has been a "food cupboard" at school. This cabinet is intended for parents of students with an income of up to 130% of the minimum income.

However, this cabinet is not accessible during the summer holidays.

That is why there is an alternative: I can make packages with non-perishable food for the summer holidays, which you can then pick up from me the last week before the holidays.

But I have no idea who the parents are who use the closet and who would like such a package for the summer holidays.

I would like to ask parents who are eligible and would like to take advantage of this offer, if they would like to contact me to report this. Then I can make sure that there are enough packages ready for you.

You can register in person (I'm there Tuesday to Friday between 08:00 and 13:00) or by email ([mirjam.dekort@bijkinderstad.nl](mailto:mirjam.dekort@bijkinderstad.nl))

The information I need from you are: the names and group of the children.

This information only reaches me (Mirjam de Kort) and no one else! Your data will be treated in the strictest confidence. [You can register until 15 May at the latest.](#)

Because the Youth Education Fund (which organizes and pays for this) often has these kinds of actions, it would be very nice if I knew which parents are eligible for this. Then I can also contact you directly if there is another great promotion.

I hope I have your confidence in you to the extent that you will report to me. Then I, in turn, can dedicate myself even more to you.

With warm regards,  
Mirjam de Kort,  
Administration.
